Dear Dan,

I wanted to take a minute to thank you for the exceptional service you have provided CLYDEUNION Pumps in assisting to create our Plantscape in our office space. Your professional and courteous manner during the proposal process, installation and maintenance has been well received by everyone in our office!

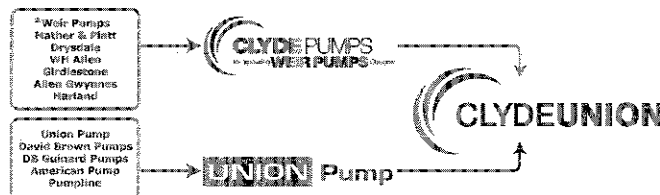

The plants have given our office "life" and I have received multiple comments from not only our employees but visitors who have come into the office since the installation. The plants are wonderful and have beautified our offices exceptionally!

CLYDEUNION Pumps is happy to recommend you to anyone who wants to spruce up their space using your service! Thank you again!

Warm Regards,

Michelle Griffith
